

HEPA

Wet/Dry Vacuum

Contractor
\$899⁰⁰

- Dual, individually tested and certified HEPA filters, 99.99% at 0.3 microns.

- Unique HEPA filters last 2,000 hours and can be used for wet pick-up.

- **Includes outlets for power tools.**

The vacuum will start and stop on demand from the power tool.

- **Automatic filter shaking system.**

A sensor indicates if a filter is clogged and starts shaking the filter during and immediately after the vacuum shuts off.

- Auto start/stop.

- 7-second delay on shut-off ensures that all dust is emptied from the hose.

- Variable speed sealed motor allows the operator to adjust the amps and suction power according to circuit breaker capacity. 1 Year Motor Warranty.

- Compact design - easy to transport and carry

- 14 Gallon tank, ergonomic handle and dump valve.

- Lockable front casters.

- Electronic wet shut off.

- Bags can be used for safe and dust-free emptying.

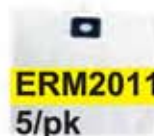

**OSHA
Compliant**
