FS 3500 G Flat Saw 20", 26", 30"

FS 3500 G is a self-propelled floor saw ideal for small to medium patch and service jobs. Equipped with a 37HP Kohler CH1000 gas engine. It is lightweight, low profiled, easy to maneuver and service. The Poly-V belt together with a self-adjusting belt tensioner ensures stable power levels at the blade shaft. Cutting depth capacity up to 12-3/8"

- with a 30" diamond blade. Ideal for repair and removal of driveways and sidewalks. Comes standard with adjustable handle bars, engine tachometer and hour meter.
- Air-cooled engine
- Heavy canister air filter
- Electric starter

20" HV53500-20 2650RPM
26" HV53500-26 1860RPM
30" HV53500-30 1860RPM

FS 500 Series Self-propelled line of flat saws perfect for cutting sidewalks, driveways or other small repair or service work. Locking differential drive system increases blade performance when cutting uneven surfaces.

FS 513 Flat Saw 20"

- Honda GX390 Gas air-cooled engine
- 11 HP
- 7 5/8" cutting depth
- 2620 RPM
- Dry dual element cyclone air filter
- Recoil starter
- Variable position adjustable handlebar
- Hydrostatic transmission
- Blade depth control can be mounted on either side
